NETWORK SPONSORSHIP
Our Mission
As a group, we work together to develop and create a future in which all social organizations across the U.S. and overseas can become purposed, high performing systems of service and influence. The goal of the Network is to bring together prominent managers and leaders, aspiring managers, and students within the field to share ideas and discuss challenges to enhance their skills.

ABOUT THE NETWORK
The Network for Social Work Management is an international organization focused on strengthening and advancing social work management within health and human services.

• Shape the future of social work management.
• Advocate standards of excellence and ethics in leadership.
• Explore opportunities for collaboration.
• Get insight on trends and innovation in the field.
• Join any of NSWM’s Chapters and make your voice heard.
• Enjoy free or discounted registration fees to NSWM events.

Visit www.socialworkmanager.org for more information about the benefits of Network membership.
